

PIRA 70 LUX INOX

PIRA 70 LUX BLACK

- Output of meat per hour = 60kg
- Cast iron steel interior – retains heat within the oven
- Piracold refrigeration system
- Fitted with hinged glass door – glass door will withstand temperatures up to 750°C
- Glass door allows you to view products being cooked – this means you don't have to keep opening the door so maintaining the oven temperature and helping to reduce charcoal consumption.
- Fully insulated oven chamber
- Fitted with thermometer
- Fitted as standard with internal Air flow control and Firebreak – prevents fire exiting the oven and going into the extract canopy. These devices can be supplied as well in external version.
- Can be used with all types of charcoal; Coconut charcoal, mineral charcoal...
- Air flow entrance control and smokes exit control, included
- Ash collection tray
- Grease collection tray
- Supplied with 4 adjustable legs.
- Supplied with 1 stainless steel grid 585 x 465, 1 x meat tongs + 1 x poker.
- Can be supplied in Black version, or can be finished with stainless steel version.
- Possibility to cook with grooved grill 515 x 470 that allows you to cook without fear of flames and fires in delicate foods (fishes, some vegetables) or greasy foods (chicken, duck ...).
