Automatic Juicer

The Robot Coupe automatic juicer J80 Ultra is the ideal solution for fast-paced sites, such as busy cafes or juice bars. Thanks to its time saving, user-friendly design, the J80 Ultra gives you the performance you need to quickly dispense large quantities with the minimum of fuss. The unique and innovative design removes the need for a pusher, so you can load in fruit and just let the juicer take over - no need for manual pushing of ingredients into the mechanism. The powerful yet quiet commercial motor also provides a continuous, reliable speed whatever the load, making it one of the most popular commercial fruit juicers on the market.

- Material Stainless Steel & Plastic
- Automatic feed - no need to manually push food into the juicer
- Easy to use, clean and maintain
- Removable centrifugal juicer basket for easy cleaning
- Suitable for hard and soft vegetables, citrus fruits and soft fruits
- Very quiet operation - can be used front of house
- Patented automatic 79mm feed tube for continuous output
- Material Stainless Steel & Plastic
- Speed 3000 rpm
