Saeco Automatic Coffee Machine

Features:

- ▶ The new Idea Restyle design, thanks to the traditional aesthetic look reviewed with a minimalist and contemporary approach, transforms a traditionally professional machine into the perfect object that can be placed anywhere, from intensive catering venues to modern and elegant hotels.
- ▶ Idea Restyle is therefore a perfect mix of quality and performance, a machine that has retained the efficiency of the previous version, and that enhances all environments.
- ▶ The possibility of joining different machines in a modular approach increases the flexibility of use and the ease of assembly, also in very demanding contexts.
- ▶ The quality of this product is always guaranteed by the use of top level materials and solutions that are the result of intensive research activities by Saeco, a company that has always been keen to develop products that are appropriate for various professional activities.
- ▶ Made In Italy
