## About Kolb

Originally from Switzerland, Kolb Huizhou Ltd. was the production facility located in China for the Kolb Group of Switzerland since 2005. In 2017, Kolb Huizhou joined the WIESHEU family, the leading baking equipment manufacturer from Germany. This change will allow both parties to form a strong distribution partnership to cover the global market with the best solutions for high-quality baking equipment, as well as to benefit the technology and market know-how from both sides.

Featuring reliable quality, high energy efficiency, and user friendly design, equipment from Kolb Huizhou has gained increasing recognition worldwide. Nowadays, we are able to service professional customers from bakery, retailer and HORECA channels in more than 60 countries around the clock.

In Kolb Huizhou, we believe quality is the power to grow, our team remains committed to be your reliable partner to success. For more information about Kolb Huizhou and Kolb equipment, please contact your Kolb representative or visit us at: [www.kolbcn.com](http://www.kolbcn.com), [www.atollspeed.com](http://www.atollspeed.com), [www.wiesheu.de](http://www.wiesheu.de).
