

PRODUCT CATALOG

MFK Foodservice Equipment was founded in 1992. In 1999 the business was purchased by a consortium headed by Bumi group, an Investment trading Firm. With an already established reputation for exceptional service and superior quality products, MFK has built on its reputation as Indonesian leading supplier of Commercial kitchen appliances across the country. We carry a range of more than 2000 products, all of which are best of breed and sourced from reputable local and international suppliers. 20 of our over 40 Brands are exclusively distributed by MFK to the Indonesian markets.

Our products are classified into the following categories : Heating - Refrigeration - Cooking - Processing - Washing.

Our head office is based in Jakarta with a branch in Surabaya with service and repair centres. We have showroom in Jakarta where potential buyers are able to view our product range in its unpacked state, replicating our product range found in our comprehensive catalogue. In addition to this, we are able to provide live demonstrations of our products where we can demonstrate appropriate features and benefits.
