FOOD SERVICE EQUIPMENT & SUPPLIES

# Trusted by professional kitchens across the region.

## NOVA Catalog

Power that never backs down. Performance you can rely on. JCOOK gas equipment is built for kitchens that operate at full intensity where speed, consistency, and durability are non-negotiable.

Engineered to deliver strong, responsive heat, our solutions give chefs the control they need to execute every dish with precision. From peak service hours to continuous operations, JCOOK stands as a trusted partner behind every flame.

Because when the pressure is on, your kitchen deserves equipment that performs every single time.

Beginning in 2004, our main focus is to provide high quality Stainless Steel products for General Market ( Kitchen, Hospitality, Pharmacy and many more )

As the increasing demand of commercial food service industry, PT Arindo Cipta Perkasa was founded to match it's demands in 2011. Focusing our products as solutions in enhancing and increasing productivity within the kitchen.

We produce not only Commercial-used Furnitures but also Gas Stoves & Induction Stoves.

---

# About Us

---

## VISION

We aim to be advanced & excellence in providing high quality commercial food service equipment by always developing sustainable, cost-efficient, and align with customer needs with international standards.

---

## MISSION

Produce & supply commercial kitchen equipment with the utmost quality, competitive price through professional assembly for customer's satisfaction.
